Do you have students that want to make a difference in their community but are not sure how the system works? Do they aspire to public office or a career in government? The event will be held from 8:00am-2:30pm at the Stockton Memorial Civic Auditorium and Stockton City Hall and students will have an opportunity to meet City Council members, City Staff, and participate in a mock City Council meeting based on real issues affecting the City. We would like your help by nominating up to 8 students to participate from your school. The required forms are attached. Interested students must complete a program application and return it to you.
